### **U8 TRAINING:**

Please remember all children will remain inside the gate of pitch after trainings until they are collected by an adult. It is very important that you collect your child on time as Millstreet Juvenile GAA accepts no responsibility for any children once the training session has ended. It is also important that you ensure your child has used the toilet before coming to training. A rota of parents for 'Toilet Duty' will soon be drawn up and copies will be available on our notice board in the GAA Hall. If you are unable to attend on your assigned night, please ensure you organise to swap with somebody else on the list.

### **U10 HURLING TRAINERS URGENTLY NEEDED:**

We currently have no trainers for the u10 hurling team. We encourage parents of players involved with this team to get involved no matter how little commitment you can dedicate to the team. A rota of helpers/trainers could be drawn up to ensure we have an u10 hurling team this year. All help is greatly appreciated!
